

## **REPORT ON THE SECOND MURAL PRODUCED AT HOLY FLAME SCHOOL IN N'DJAMENA - CHAD**

**FUNDING: PAINTING A NEW WORLD**

**REALIZATION: BORSORTA DJIMIRA and OUSMANE KARA**

### **THANKS:**

The Founder and Director of the School and Kindergarten HOLY FLAME join us, young painters of Chad and members of PNMW, to thank the founders of PNMW (AGNES AND ANDRE CHATELAIN ) for their artistic investment in Chad in educating students and helping young painters.

Thanks to PNMW, we were able to complete two murals in HOLY FLAME School: one in the primary school and another in the kindergarten. The leaders of this school expressed their gratitude to us and to PNMW since the murals were complimentary for the benefit of their students, future leaders of this country.

Here are pictures taken during the production:
